

2019-2020 CAMWS Latin Translation Contest – High School Results

Summas gratias to all the volunteers who made this year's competition possible. If you are interested in serving on the contest committee and/or grading papers next year, please contact Nick Fletcher.

The subcommittee members deserve the thanks of the CAMWS membership as a whole, and the thanks of the subcommittee co-chairs in particular, for their service: Scott Cochran (Siegel HS, TN), Sam Caldis (Brown Univ., RI), Kathleen M. Kirsch (St. Agnes School, MN), Caleb X. Dance (Washington & Lee Univ., VA), Evelyn W. Adkins (Case Western Reserve Univ., OH), Karl P. Frerichs (University School, OH), Andrew Burrow (Mountain View Jr. High, AL), Elizabeth Deacon (Univ. of Colorado, CO), Lindley Henson (Seton Catholic Prep Academy, AZ), David West (Ashland Univ., OH). The co-chairs are especially grateful to Karl Frerichs for his extra help on all aspects of the contest.

Contest Graders: A very special thanks to the following volunteers who shared their time and expertise to assist the committee in grading papers this year: Nora Murphy (Shaker Heights High School, OH), Peter Millett (University School, OH), Patrick Yaggy (BASIS Tucson North, AZ), Patrick Bradley (Rockbridge County High School, VA), Woojin Kim (Flint Hill School, VA), Marni Dillard (John Burroughs School, MO), Bryan Carlson (Fort Worth Country Day School, TX), Stephanie Hutchings and Travis Hill (Scottsdale Preparatory School, AZ), Ralph Covino (Girls Preparatory School, TN), Alan Farnsworth (Walton High School, GA), Tom Garvey (The Meadows School, NV), Brandtley Jones (St. Anne's-Belfield School, VA), Tom Cirillo (Montgomery Bell Academy, TN), Mark Buzbee (Homeschool, FL), Jason Nabors (Central Magnet School, TN), Micheal Posey (The Episcopal School of Baton Rouge, LA), Claire Bishop (Charlotte Christian School, NC), Athanasia Worley, Sarah Wright.

- Awards were distributed proportionally according to the level of Latin.
- In order to make the contest as fair and objective as possible, distribution of papers was randomized and blind, no reader graded his/her own students, and all of the papers were evaluated according to AP-style translation "chunks."
- Names of winners are listed in descending order of performance.
